DANGER Zone 1 Too cold! Go to Step 3!	These temperatures are OK. Go to Step 4. AIM FOR 40°	DANGER Zone 2 Too warm! Go to Step 3!

Step 3

If temps are in Danger Zone 1 (below 35°F), even for a short time:

- Put a "Do Not use Vaccine" sign on the vaccines.
- Alert your supervisor immediately.
- If temps are in Danger Zone over 30 minutes – **Call the manufacturers immediately,** then complete the Incident Report.

If temps are in Danger Zone 2 (above 46°F), even for a short time:

- Put a "Do Not use Vaccine" sign on the vaccines.
- Alert your supervisor immediately.
- If temps are in Danger Zone over 30 minutes – **Call the manufacturers immediately,** then complete the Incident Report.

MUST document the Date and Actions taken:

_____

Step 4

Press the MEMORY CLEAR button on the thermometer every time you finish logging temperatures.
If you press the MODE button by mistake, LO and HI will display. Press it again to see MIN and MAX.

(For further information, refer to your PA VFC Provider Handbook, Section 6)
