Sign and date the application. If a signature is made with a mark (X), a witness must sign in the space provided. Power of Attorney or guardianship documentation must accompany the application when signed by the Attorney-In-Fact or Court-Appointed Guardian.

NON-CREDITABLE COVERAGE

Since the CRDP offers a limited formulary, the prescription coverage received from CRDP is not equivalent to the prescription benefits offered by Medicare Part D, which means CRDP is considered “non-creditable.” This means it may be in your best interest to be enrolled in CRDP and a Medicare Part D plan together.

When you become eligible for Medicare, if you do not have any prescription coverage that is considered creditable, you should enroll in a Medicare Part D plan. Otherwise, you may pay a higher premium to join a Medicare drug plan. If you go 63 days or longer without prescription drug benefits that are at least as good as the coverage offered through the Medicare benefit, you will have to pay a 1% penalty on the monthly Part D premium for every month you go without coverage.

After you are enrolled in CRDP, the program can assist you in enrolling in a Part D plan when you become Medicare eligible or during the Part D annual enrollment period.
IMPORTANT FACTS

Carefully review your income statement and make certain that you have reported all income you received during the prior calendar year. Other sources of tax information may be used by the Department of Health or its authorized representative to verify your income statement.

• To expedite the processing of your application, please:
  
    • Type or print with black ink;
    
    • Include the documentation as mentioned in the “CRDP Eligibility Requirements” section of this booklet; and
    
    • Submit all photocopies on 8 1/2" x 11" white paper. Be sure photocopies are one-sided and clear so they can be easily read.
  
• Eligible applicants must pay a copayment for each prescription.

• You may be required to meet a Patient Share of Cost (PSC) prior to receiving medical benefits. The PSC is the amount of money that you must contribute to the cost of your medical care. The amount is determined by your annual income.

• A CRDP card cannot be forwarded to another address in or outside Pennsylvania.

• CRDP does not provide for vacation or emergency supplies, medications or dialysis services which are rendered outside Pennsylvania. If you leave Pennsylvania, you are responsible for notifying CRDP of your departure and return dates.

• Only contracted or approved providers that are currently licensed by the Commonwealth and which have their principal place of business in this Commonwealth are eligible to participate in this program.

• Your pharmacist may dispense a 30-day supply or 100 capsules or tablets per prescription, whichever is less. Seventy-five percent (75%) of the medication must be used before the prescription can be refilled.

• CRDP reimburses up to five (5) refills on a prescription or a six (6) month supply, whichever occurs first.

• If at any time your income is found to exceed CRDP limits, your benefits will be canceled and you may be responsible for any medical care or prescription costs improperly paid on your behalf. In most cases, repayments are based on the coverage period.

• Any other medical or prescription coverage you have must be used as the primary payor. CRDP providers may not bill CRDP before billing your other third party carrier.

• If you are enrolled in a Part D plan and CRDP at the same time, the CRDP may pay your Part D monthly premium for you, cover any deductibles, and cover any copays in excess of your CRDP copay on CRDP formulary medications as long as the Part D plan has an agreement with us. For further information regarding the Part D plans, please call our toll-free cardholder services number at 1-800-225-7223.

CERTIFICATION AND AUTHORIZATION STATEMENTS

I understand that my signature on the Chronic Renal Disease Program (CRDP) application indicates my agreement to the following provisions:

A. I authorize the Internal Revenue Service, the Social Security Administration, the U.S. Railroad Retirement Board, the PA Dept. of Revenue, the PA Dept. of Transportation, the Public School Employees’ Retirement System, the State Employees’ Retirement System, any other federal or state agency and any other financial or other institution or entity with information on my income or resources to release information to the Dept. of Health that will verify my eligibility for the CRDP or for the low income subsidy of the federal Medicare prescription drug benefit. All information released to the Department of Health shall remain confidential in accordance with 72 P.S. § 3761-517(b).

B. I authorize the Department of Health or its authorized representative to visit my residence with reasonable prior notice to me, for the purpose of determining the validity of information provided on the application or any claims made under CRDP.

C. I understand that the Department of Health or its authorized representative, within its discretion, may disclose any and all medical information in my CRDP file with the exception of any HIV-related information, to business partners, contractors, grantees, and other public health programs for the legitimate business purposes of the CRDP. I agree to authorize such disclosure of information, if a further written authorization is required, by executing an appropriate authorization form.

D. I hereby assign to the Commonwealth of Pennsylvania, in the event of duplicate or overpayment, any right to benefits to which I may be entitled under any other plan of government assistance or insurance from any third party payor. I hereby designate the Commonwealth of Pennsylvania’s CRDP, acting through its contractors and agents, as my agent and authorized representative for the limited purpose of applying for such government assistance or insurance. I understand that I may decline the choice of third party payor that may be made by CRDP on my behalf by indicating my preference of appropriate third party payor to CRDP in writing.

E. I hereby waive the confidentiality of any health care information found in any Medicare HMO, third party payor’s file or any other health care source, except for HIV-related information; I authorize disclosure of this information to the CRDP, its contractors and agents. If the holders of this information require further signed authorizations in order to disclose information about me, I agree that I will cooperate with the Department and promptly execute the appropriate authorizations.

F. I agree that I will not receive payment, or authorize the receipt of payment on my behalf, from the Department of Health for any amount which has been paid by any other plan of government assistance or insurance or any other third party payor on my behalf.

G. I understand that if it is determined that CRDP benefits have been paid improperly, I shall be required to repay such benefits. I authorize such collections from myself, my estate, my agents, and my personal representatives.

H. I understand that any person who submits a false or fraudulent claim or application under CRDP, or who aids and abets another in the submission of a false or fraudulent claim or application or who claims and receives duplicate benefits may be charged with a criminal offense, including an offense under 18 Pa. C.S. § 4904, relating to Unsworn Falsification to Authorities. Any person who is found guilty of such a criminal offense shall be subject to repay CRDP in full for previous services.

I. I understand that the Department allows an appeal in the event I disagree with any decision made by the CRDP regarding my eligibility or benefits. I may appeal a decision by filing a CRDP appeal form according to its instructions.

J. I authorize the Department of Health or its designee to act as my representative for determining my eligibility and applying for the low income subsidy of the Medicare prescription drug benefit, enrolling me in the Medicare prescription drug plan that best fits my prescription needs, handling any and all aspects of Part D on my behalf consistent with federal law, and, paying the premium of selected Medicare prescription drug plans that are less than or equal to the regional benchmark premiums.

K. I understand CRDP may refer me to another agency to obtain health care benefits (example: Medicare, Medical Assistance) if appropriate, and that my eligibility for CRDP may be contingent upon my application for and acceptance of other appropriate health care benefits or insurance programs.
