HOW PATIENTS CAN GET MEDICAL MARIJUANA IN PENNSYLVANIA
WHEN THE PROGRAM IS FULLY IMPLEMENTED

1. REGISTER for the Medical Marijuana Program at medicalmarijuana.pa.gov.

2. OBTAIN a physician’s certification that you suffer from one of the 17 serious medical conditions.

3. COMPLETE registration by paying for a medical marijuana ID card.

4. VISIT a dispensary in Pennsylvania to obtain medical marijuana.
PENNSYLVANIA MEDICAL MARIJUANA PROGRAM FAQ

The Pennsylvania Department of Health is in the process of implementing the state’s Medical Marijuana Program. When completed, the program will provide access to medical marijuana for patients with a legally-approved serious medical condition.

WHAT ARE THE 17 SERIOUS MEDICAL CONDITIONS UNDER THE LAW?

- Amyotrophic lateral sclerosis
- Autism
- Cancer
- Crohn’s disease
- Damage to the nervous tissue of the spinal cord with objective neurological indication of intractable spasticity
- Epilepsy
- Glaucoma
- HIV/AIDS
- Huntington’s disease
- Inflammatory bowel disease
- Intractable seizures
- Multiple sclerosis
- Neuropathies
- Parkinson’s disease
- Post-traumatic stress disorder
- Severe chronic or intractable pain of neuropathic origin or severe chronic or intractable pain in which conventional therapeutic intervention and opiate therapy is contraindicated or ineffective
- Sickle cell anemia

WHAT FORMS OF MEDICAL MARIJUANA ARE PERMITTED?

Under Act 16 of 2016, the types of medical marijuana that will be available in Pennsylvania will be limited to the following forms:

- Pill
- Oil
- Topical forms, including gel, creams or ointments
- A form medically appropriate for administration by vaporization or nebulization (excluding dry leaf/plant form)
- Tincture
- Liquid
