[Select hyperlinks on Human Services Home Page for more information on services categorized by level.]
Venango County Human Services is a department of Venango County government and is under the authority of the Venango County Commissioners. The Department is directed by a Human Services Administrator, who in turn works with categorical and system directors and managers, to ensure that a comprehensive continuum of high

Venango County Resource Guide

quality services are available to qualifying residents of Venango County. The Human Services Department directly manages the categorical systems that include the Area Agency on Aging, Children and Youth Services, Mental Health and Developmental Services, the Substance Abuse Program, and a variety of programs collectively managed by the Community Supports Services unit funded through the Department of Community and Economic Development (DCED), Medical Assistance Transportation (MATP), Housing Assistance Program (HAP), Housing and Urban Development (HUD), and The Community Services Block Grant (CSBG). It also manages the County Transportation system, funded through Penn Dot, and, via contract, manages the Venango County Housing Authority. The County partners with Mercer County and Crawford County to directly manage the behavioral health HealthChoices Program, under the auspices of the North West Behavioral Health Partnership.

- Assistive Technology
 - [Community Resources for Independence](#) 814-838-7222
Promoting independent living, Community Resources for Independence offers several independent living services to people with disabilities so they can remain in their home and community throughout Pennsylvania.
Pennsylvania's Initiative on Assistive Technology (PIAT) is a statewide program whose goal is to assure a system of easy access to Assistive Technology (AT) to all Pennsylvanians with disabilities. This includes access to information, devices, services, and funding. PIAT is a program for individuals with disabilities, regardless of age, disability type, location or type of residence. Most services are provided at no cost to consumers with disabilities, their family members and advocates.
Community Resources for Independence is one of PIAT's Assistive Technology Resource Centers (ATRCs) and serves Clarion, Crawford, Elk, Erie, Forest, Jefferson, McKean, Mercer, Venango, and Warren counties.
 - [Pennsylvania Assistive Technology Foundation](#) [Webpage Resource] 888-744-1938
Foundation's mission is to provide financing opportunities to people with disabilities and older Pennsylvanians helping them to acquire the assistive technology devices and services that improve the quality of their lives.

- Counseling for special healthcare needs
 - [Family Service & Children's Aid Society of Venango County](#) 814-676-9940
Licensed by the Pennsylvania Department of Public Welfare, this in-home Family Based Program offers a very special type of comprehensive structural family therapy. We take great pride in offering the very best treatment possible to maintain a healthy family unit.
The program provides family, individual, sibling, and couple therapy. Typically, the family can expect at least two or three sessions weekly occurring in the home or at the child's school. The program also provides 24-hour crisis intervention. This allows staff to respond to emergencies promptly.

- Day Care
 - [Pennsylvania Department of Human Services](#) 1-800-692-7462
Child Care and Early Learning services.
 - [Child Care Works Subsidized Child Care](#) 814-518-5226
