

Pennsylvania Department of Health 2016-2017 Annual School Immunization Law Report (SILR) Instructional Packet

Note: Some screen shot examples will have 2015 indicated in the school year. Those screen shots did not change and did not need to be revised in the instructional packet.

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

I. Introduction

Thank you for completing the annual School Immunization Law Report (SILR). This guide has been developed to assist you in completing the report. The SILR is entered online. If you do not have access to a computer, follow the General Instructions.

.....

II. Grades reported

For all questions, only include all current **students enrolled in kindergarten** and **seventh grade**.

- Enter your SILR online from Dec. 1 through Dec. 31, of the reporting year at <https://apps.health.pa.gov/sira/>.
- If you do not have access to a computer with internet capabilities, you may mail the report. It must be received by the Department of Health (DOH) by Dec. 15 of the reporting year.
- Do NOT include information on pre-school or pre-k students in the responses.
- Please review and validate the online information prior to submitting the SILR. Once you click Submit, you are unable to change the information. If a mistake was made, call the Division of Immunizations (DOI), 717-787-5681.
- Once you submit your information, make a copy of your report. If mailing your information, make a copy for your records.
- Do not leave any blocks blank. Please place a zero (0) in any blank area.
- You will not be able to advance in the online SILR unless entry is made in all fields.
- Preschool/daycare settings with kindergarten are required to report. Those without kindergarten are to complete the exclusion instructions.

III. Ungraded class

A student who attends an ungraded class and is 12 years of age will need one dose of meningococcal conjugate vaccine (MCV) and one dose of tetanus, diphtheria, acellular pertussis (Tdap) vaccine.

IV. Exclusion from reporting:

- Alternative schools do not need to report, as long as the home school district is completing the SILR and counting those students in their enrollment and maintaining their records.
- The alternative school will need to submit its exclusion reason online in the beginning of the SILR.

Other exclusion reasons:

- School is closed.
- Students are enrolled at home school district.
- There is no K and no seventh grade.
 - Is the entity a preschool/daycare?

Instructions for Annual School Immunization Law Report (Reference and Screen Shots 2016-2017)

V. Access to SILR:

To access the SILR online:

➤ Go to <https://apps.health.pa.gov/sira/>.

Reports must be entered online Dec. 1 through Dec. 31, of the reporting year. If you do not have access to a computer and are submitting your report by hard copy, this report must be completed and returned to the DOH, DOI by Dec. 15, of the reporting year.

See the following instructions for online registration. Keep a copy of your report. Follow the Step-by-Step General Instructions on page 22 for entering your school report.

Home Screen:

The screenshot shows the home screen of the School Immunization Law Report (SILR) application. At the top left is the Pennsylvania Department of Health logo. The page title is "School Immunization Law Report (SILR)" and the date is "Wednesday, August 26, 2015". A left-hand navigation menu is titled "DEVELOPMENT" and includes sections for "Menu" and "Links". The "Menu" section lists "Help", "Register", and "Log In". The "Links" section lists "School Procedure Manual (.pdf 839KB)", "Pa. Health Immunizations Immunization Schedule", and "EdNA Vaccine Identification". The main content area contains a "Please note" message: "Please note: If you have already registered, please proceed to the *Login* screen by selecting *Log In* from the left navigation menu. Otherwise, please register by selecting *Register* from the menu. Please see the *Help* link for more information." Below this is a system requirement notice: "This website is best viewed with Internet Explorer 11.x and below, in compatibility mode, with Windows 7 (32-bit or 64-bit) operating system."

VI. On-Line Registration Information

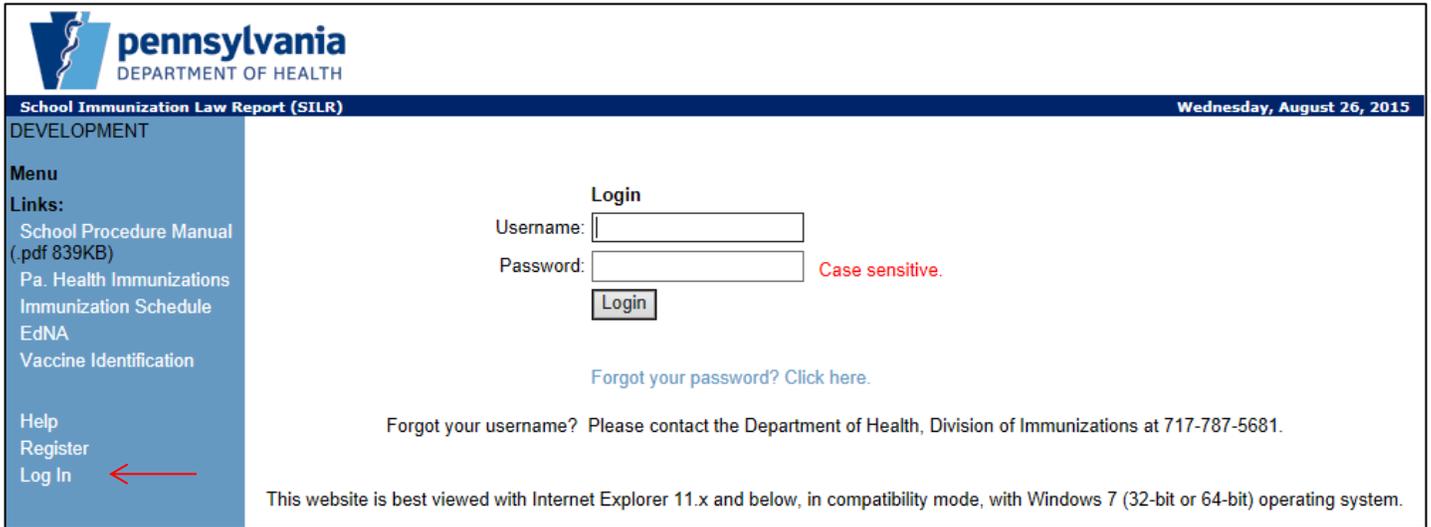

This information can be accessed in the blue shaded area.

To register:

- Enter the data online at <https://apps.health.pa.gov/sira/>.
- DO NOT re-register. This is for first time users to register.
- Click Register link on menu at left side of screen.
- Enter school district's nine-digit Administrative Unit Number (AUN) and four-digit school/branch number (found above your school's address on the report that was sent to the school). Do not combine two schools together onto one report.
- Click on the Add button to add school to the selected schools list. (If you have more than one school, type in that AUN as well and click Add until you get all your schools listed).
- Complete all fields under user registration.
- Usernames and passwords cannot be longer than 10 characters each. Keep username and password for future use.
- Click Register button.
- Click Ok when registration is complete.
- Click Submit. Follow steps to Add Report.

Welcome to the School Immunization Law Report System

Please see the submitter information below, which is based on your login credentials.
If this is NOT you: Please log off and register for your own account using the *Log Out* and then the *Register* links in the left navigation menu.
If this is you: Please verify the information. If incorrect, please update your information using the *My Account* link in the left navigation menu.

Submitter Information:	
First name:	Jane
Last name:	Smith
Job title:	School nurse
Phone number:	111-111-1111
Email address:	jsmith@MiddleSchool.edu

Review credential information:

- If these credentials are not yours, please log off.
- Register for your own account using the Log Out and then Register.
- If this is you, verify the information.
- If the information is incorrect, update your information using the My Account link in the left menu navigation.

If you forgot your username:

Call the DOI and provide the following information:

- Your name;
- Your email address;
- The school(s) you report on;
- Your nurse license number; and
- The school district's nine-digit Administrative Unit Number (AUN) and four-digit school/branch number.

DOI will email your username to the email as recorded.

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

Active grades:

- Select the active grades within the school you are reporting;
- Check the box if you are reporting: both kindergarten and seventh grade, kindergarten only, or seventh grade only.

Enter the total number of students enrolled in each listed grade:

- (Column A) total number of students enrolled;
- (Column B) number of students who are medical exempt;
- (Column C) number of students who are religious exempt;
- (Column D) number of students who are philosophical/strong moral or ethical conviction exempt;
- (Column E) number of students who are enrolled provisionally until they complete required immunizations; and
- (Column F) total number of students denied admission/attendance.

Enter the number of students in kindergarten and seventh grade that have the number of doses indicated of the specific antigen or have had the disease:

- Enter the specific antigens in each of the listed columns.
- Answer the question. Was this report approved by a medical professional? (i.e., nurse, school nurse, RN, CSN, LPN, CRNP, PA, DO or MD). (YES)
- Answer the question. Is the medical professional the same person as the submitter? (YES)
- If the answer is NO to the two previous questions the boxes will remain blank.
- Click on Run validation checks.
- If you indicated you are not a medical professional, a pop up box will appear, Are you sure you are not a medical professional? (i.e., nurse, school nurse, RN, CSN, LPN, CRNP, PA, DO or MD). Click Ok to continue. Otherwise, click Cancel to return to the form.
- A pop up box will appear. Have you validated the numbers you entered? If so, select Ok to continue. Otherwise, click Cancel to return to the form.
- Once the data has been validated, click the Yes, button, certifying that the values you entered are correct.
- The button will then change to Submit report.
- Submit your report and make a copy.

Instructions for Annual School Immunization Law Report (Reference and Screen Shots 2016-2017)

To search for previous reports:

Search tips:

*All school nurses have the ability to get to their OWN assigned school's data, including past year's data. Schools are assigned to nurses either during the registration process or by clicking the 'My Account' button and assigning schools. If you have trouble getting to your data, don't put in any search criteria; simply click the 'Search' button instead.

*If searching by School name, it must be typed exactly as it exists in this system, in order to yield search results. If you don't know how the name exists in this system, then don't filter your search by School name.

Search criteria:

Administrative Unit Number (AUN):	<input type="text"/>	(9 digits)
School/branch number:	<input type="text"/>	(4 digits)
School name:	<input type="text"/>	
School type:	--Select--	▼
School district:	--Select--	▼
County:	--Select--	▼
Intermediate Unit (IU):	--Select--	▼
Report year:	2014	▼
		<input type="button" value="Search"/> <input type="button" value="Reset"/> <input type="button" value="Cancel"/>

- All school nurses have the ability to access their assigned school's data.
- You may access results from the schools identified under your user ID.
- You may access data from past years.
- Click on the My Account button to access assigned school data.
- If you have trouble accessing the data, do not put in any search criteria; click the Search button.
- If searching by school name, type it exactly as it exists in the system.

Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)

View data details of SILR:

The screenshot displays the Pennsylvania Department of Health's School Immunization Law Report (SILR) interface. At the top left is the Pennsylvania Department of Health logo. The page title is "School Immunization Law Report (SILR)" and the date is "Friday, August 28, 2015". The user is logged in as "DEVELOPMENT" with the user name "tester".

The main content area shows "Search Results" with "Records found: 2". A table lists the search results:

AUN-School/branch	School name	EdNA website	School District	Year	Details
123456789-5678	One Great El Sch	View EdNA data	One Great SD	2014	View details
123456789-1234	One Great MS	View EdNA data	One Great SD	2014	View details

Below the table are two buttons: "Return to search" and "Cancel".

The left sidebar contains a "Menu" with the following items:

- DEVELOPMENT

- This screen will give you details from past SILR (View Details).

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

Step-By-Step General Instructions:

Section 1:

- In Section 1 of the SILR report, enter if you have any exclusions, select the exclusion reason: 1) School is closed; 2) Students are enrolled at home school district; 3) There is no K and no seventh grade; 4) Is this entity a preschool/daycare?
- Provide name, job title, telephone number, the date of the report and who approved the report.
- Each school district is given a nine-digit Administrative Unit Number (AUN) and a four-digit school/branch number. Each school requires a separate report. Do not combine two schools on one report.
- If you do not have access to a computer, mail a hard copy by Dec. 15 to the Department of Health, Division of Immunizations, Health and Welfare Building, Room 1026, 625 Forster St., Harrisburg, PA 17120-0701. Validate all information before mailing. Print a copy of the completed SILR for your records.

Section 2:

- In Section 2 of the SILR report, enter the active grades within the school that you are reporting; check the box if you are reporting grades K and 7, only grade K, or only grade 7.

Section 3:

- In Section 3 of the SILR report, enter the (Column A) total number of students enrolled in each listed grade section; (Column B) number of students who are medical exempt; (Column C) number of students who are religious exempt; (Column D) number of students who are philosophical/strong moral or ethical conviction exempt; (Column E) number of students who are enrolled provisionally until they complete required immunizations; and (Column F) total number of students denied admission/attendance.

Section 4:

- In Section 4 of the SILR report, enter the number of students in kindergarten and seventh grade that have the number of doses indicated of the specific antigen or have had the disease. Enter the specific antigens in each of the listed columns. Do not enter numbers in the shaded blocks.
- Complete this for all immunizations listed for kindergarten and seventh grade. If the student does not have the number of doses specified for a specific antigen, he/she will then be listed as "provisional" unless he/she submits a signed Certificate of Immunization Card (green and white card) with a signed Statement of Exemption to Immunization Law. All other completed doses must be indicated.

If you are submitting online, validate your information before submitting. Once you click Submit print a copy for your records. Once submitted, the SILR is finalized and cannot be changed. Please contact the DOI at 717-787-5681 if a revision needs to be made or if there are any questions.

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

VII. School Exemptions:

Annually, the DOH is required to report school vaccination coverage levels to the Centers for Disease Control and Prevention (CDC). One category required is the total number of medical, religious and philosophical exemptions. Below are the definitions.

Medical exemption. Children are exempt from immunization if a physician or physician's designee provides a written statement that immunization may be detrimental to the health of the child.

Religious exemption. Children are exempt from immunization if the parent, guardian or emancipated child objects in writing to the immunization based on contradiction to their religious beliefs.

Philosophical/Strong Moral Ethical Conviction exemption. Children are exempt from immunization if the parent or guardian or emancipated child objects in writing to the immunization based on personal beliefs.

VIII. SILR Questions – General Information:

- Question 1: Is this survey required for homeschool children?**
Yes, homeschooled children should be counted in the school district in which they reside.
- Question 2: If I complete the SILR online, do I still need to mail in a copy to the DOI?**
No. Print a completed copy of the SILR for your records.
- Question 3: Can the school nurse change his/her name, email address and/or telephone number?**
Yes, the school nurse can make necessary changes to his/her name, email address or telephone number in the login page.
- Question 4: If I am in charge of two different schools in the same district, can I enter both of them in the same report?**
No, enter each school separately by its nine-digit AUN and four-digit school/branch number.
- Question 5: Can I enter first grade in the school report?**
No, you are required to report kindergarten and seventh grade only.
- Question 6: Can I use the same password the previous nurse used?**
No, your password should be kept confidential. Never use anyone else's password. This is considered a security breach in the system. You should enter your own password and keep it in a safe place.
- Question 7: Should I send the green and white immunization cards to Department of Health?**
No, the green and white immunization cards are to be kept at the school where the student is enrolled.
- Question 8: My school has merged with another school; what nine-digit AUN and four-digit school/branch number do I use?**
Contact your school administrator for the current nine-digit AUN and four-digit school/branch number.
- Question 9: My school just moved to a new location, and I cannot find it listed under my schools that I report.**
Contact your school administrator for the current nine-digit AUN and four-digit school/branch number. Follow the instructions for adding a school to the online SILR.
- Question 10: If my school has closed, should I mark the exclusion box and return the form to DOI?**
No, you can choose the box for the specific exclusion, and click Submit.

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

IX. SILR Questions – Immunization Status:

Question 1: Does a student entering seventh grade require Tdap?

Yes, Tdap is required for entry into seventh grade.

Question 2: Will a Tdap dose given between ages 7 to 10 years satisfy the requirement for entry into seventh grade?

Yes, currently one dose of Tdap in a lifetime is recommended.

Question 3: Can you count a Tdap dose given at a less than five-year interval to meet the requirement for seventh grade?

Yes, the school immunization regulations state that students entering seventh grade will be immunized with the tetanus, diphtheria and acellular pertussis (Tdap) vaccine if at least five years has elapsed since their last tetanus and diphtheria immunization. Currently, the Advisory Committee on Immunization Practices (ACIP) states that Tdap can be administered regardless of interval since the last tetanus or diphtheria toxoid-containing vaccine.

Question 4: If a student age 7 years and older started the Td series late and received three doses, is the student considered up-to-date?

Yes, the student is considered up-to-date as if he/she had received four doses of tetanus and diphtheria as required for school attendance and per school regulations. He/she would not need the last dose until five years after the last Td. Such students are considered to be up-to-date with no further documentation required.

Question 5: Are students over the age of 7 years who have not completed their primary DTaP series considered compliant if they receive three doses of either DTaP/DT/Td with one dose of Tdap after 7 years of age?

Yes.

Question 6: MCV is required for entry into seventh grade. Can MPSV4 be accepted in place of MCV4?

Yes, for persons 11-18 years, a dose of MPSV4 (if given instead of MCV4) does count.

Question 7: Where do we count the student who had the varicella disease (chickenpox) and one dose of vaccine?

The column labeled "Varicella had disease" is for a student who had chickenpox disease either naturally or as a breakthrough disease from vaccine. The next column "Varicella two doses" is for the student who had two doses of varicella vaccine. In this case, the child would be counted in the "Varicella had disease" column.

Question 8: What if a child had one dose of varicella vaccine and the medical provider indicates the child had shingles?

The child would be immune and would not need an additional dose of varicella. He/she would be marked in the box labeled "Varicella had disease," because at some point in time, this child had a case of chickenpox in order to be diagnosed with shingles.

Question 9: If a child has one MMR vaccine and one measles vaccine, should the child be counted under the MMR 2 doses column?

No, he/she would be considered provisional, since they have not received the second required mumps dose. The student would need two MMR doses to be considered in compliance.

Question 10: What immunizations titers are not acceptable?

We do not accept titers for tetanus, diphtheria, polio and mumps.

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

Question 11: Johnnie is in kindergarten and has the following immunizations: four doses of DTaP, three doses of polio, two doses of MMR and two doses of Varicella but only two doses of hepatitis B. How should I record this on the SILR?

You should count him up-to-date under DTaP, Polio, MMR and Varicella, BUT he will not be counted up-to-date under HepB. He will also be counted under (Column E) as provisional, since he does not have his last HepB immunization. A student can be counted as compliant for any immunization if he/she is up-to-date AND can also be counted as provisional if he/she does not have all the required doses listed for all the antigens.

Question 12: If a student has an exemption listed and is up-to-date on some of the antigens, should those antigens be counted in the SILR?

Yes, only count up-to-date antigens the student has received, along with the appropriate exemption.

Question 13: If a child has all doses specified of a certain antigen, BUT one of the doses was administered more than four days before the recommended interval, would he/she still be considered up-to-date?

No, the immunizations must be given at the recommended minimum interval to be counted as up-to-date. This child would be counted in the provisional column (Column E) because of the improper spacing.

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

SILR Training Examples:

1

Eighty students are enrolled in kindergarten. Zeroes are indicated for all exemptions and provisional status. The least number of students that are up-to-date on a specific antigen is 37 (hepB). Therefore, eighty total students minus 37 equals 43 students that are not accounted for. These students should be counted in the exemption* or provisional category.

The lowest covered antigen plus total exemptions plus provisional students cannot be less than the total enrollment.

Incorrect:

<input type="checkbox"/> Only grade 7	Seventh grade														

**Instructions for Annual School Immunization Law Report
(Reference and Screen Shots 2016-2017)**

2

Forty-five students are enrolled in seventh grade. Zeroes are indicated for all exemptions and provisional status. The least number of students that are up-to-date on a specific antigen is nine for MCV. Therefore, 45 total students minus nine equals 36 students that are not accounted for. These students should be counted in the exemption* or provisional category.

The lowest covered antigen plus total exemptions plus provisional students cannot be less than the total enrollment.

Incorrect:

Section 2	Section 3	A	B	C	D	E	F	Section 4
