

**INFORMATION FOR SCHOOL PHYSICIAN'S STANDING ORDER
NARCAN NASAL SPRAY**

A standing order is a medical directive written by the school physician. These orders authorize administration of specific medications to students according to a defined protocol. Standing orders should be reviewed, updated and signed by the school physician annually. Each school health office should have a copy of the original order as it was executed for the district's central office.

Obtain a standing order from the school physician for administration of Narcan (naloxone) Nasal Spray. Standing orders should include:

- Order for Narcan Nasal Spray shall be written and signed in a permanent format, whether by hard copy, facsimile or electronic.
- The order for Narcan Nasal Spray will be from a licensed health care provider in the Commonwealth.
- Date of issue
- Dosage of Narcan Nasal Spray

Narcan Nasal Spray®

(Naloxone)

4mg dose of naloxone in 0.1 mL intranasal spray

EXPIRATION DATE:

Dose: 4mg naloxone in 0.1 mL intranasal spray to student suspected of opioid overdose. May repeat every 2 to 3 minutes, if available, until the person responds or emergency medical help is received.

- The signature of the ordering health care provider.
