

**Pennsylvania Department of Health
Bureau of Family Health
Breastfeeding Awareness and Support Program**

Data Source: Pennsylvania Birth Certificate

Birth certificate information is collected for both in-hospital and out-of-hospital Pennsylvania births. Each birth certificate is submitted to the Pennsylvania Department of Health, Bureau of Health Statistics and Research where it is analyzed. The question: *Is newborn being breastfed?* was added to the birth certificate in 2003.

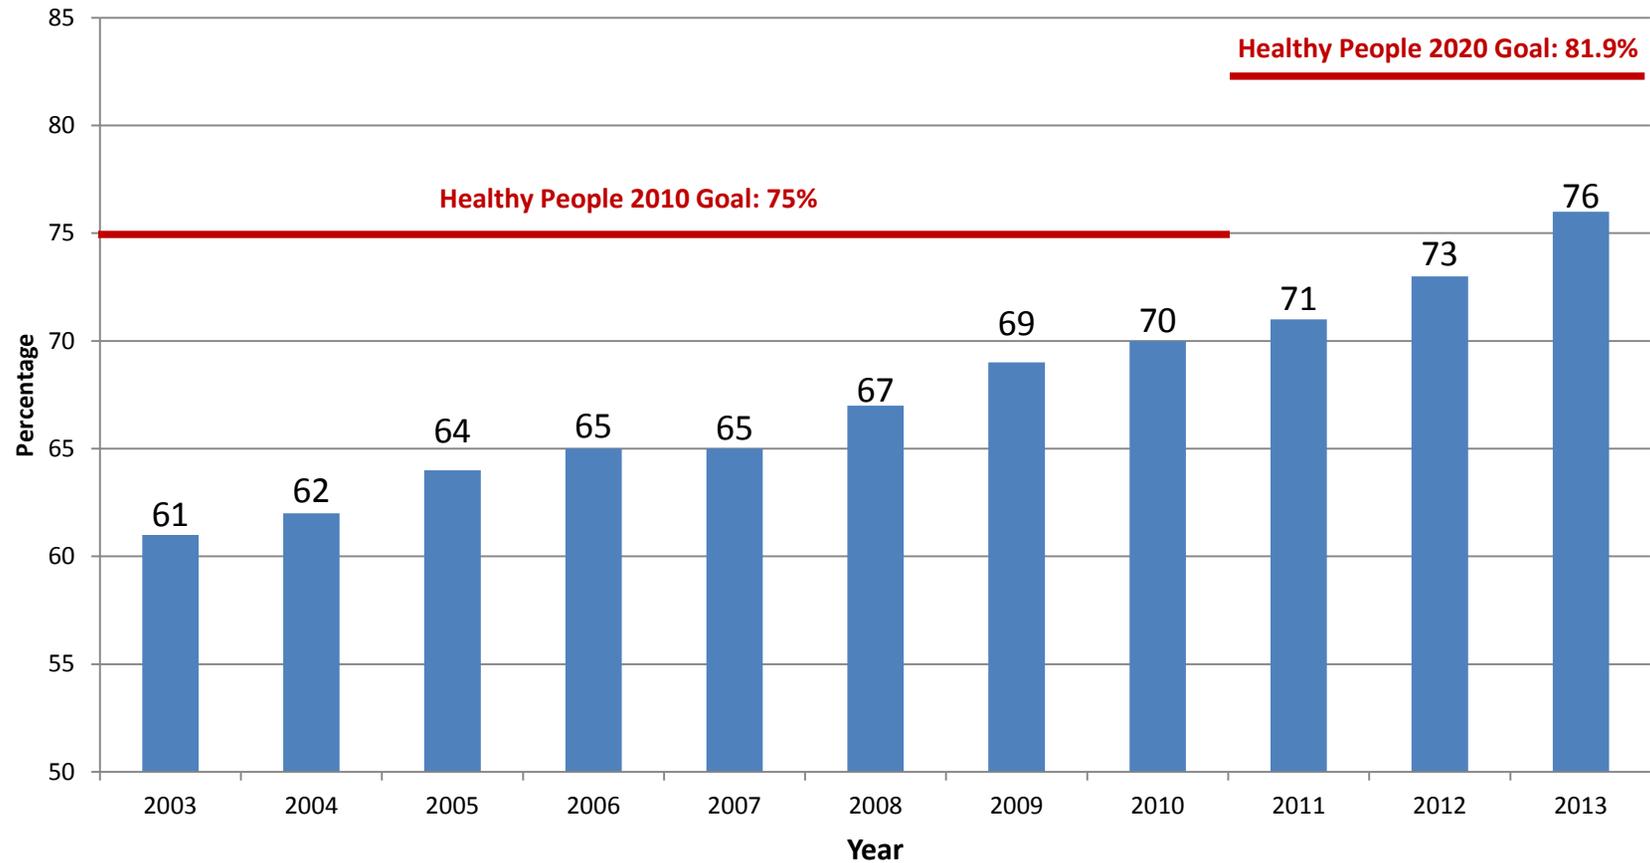

Pennsylvania Breastfeeding Initiation Rates, 2003-2013
