The Department of Health (DOH) is holding influenza (flu) vaccination clinics across the commonwealth between December 7 - 11 to provide flu vaccine at little or no cost for adults and children through 18 years of age who are Medicaid eligible, uninsured, underinsured, or American Indian or Alaska Native.

- The cost is \$5 per person (payable by check or money order) for individuals and families above income guidelines; however, no one will be turned away because of an inability to pay.
- A parent/legal guardian must accompany a child receiving the flu vaccination.
- DOH staff will need to be notified prior to the appointment if someone other than a child's parent/legal guardian will be accompanying him/her.

Please call the phone number above to schedule an appointment.
