RC Memo 2012-006

DATE: March 08, 2016

SUBJECT: Quick Response Service Recognition Program

TO: Regional EMS Councils

THRU: Joseph W. Schmider
Director

FROM: Robert Cooney
Operations Manager

The Bureau of EMS has updated the Quick Response Service (QRS) Recognition Program. The new recognition requirements are scheduled to take effect April 01, 2012 and the PA Bulletin with the details of that program should be released soon after that date. Regional EMS Councils will conduct inspections for recognition using those new standards for services that are applying for recognition now and through the Month of March 2012. Services that have applied for Re-recognition prior to today's date should be inspected using the prior equipment standards
