CURRENT SITUATION

PADOH continues coordination efforts with FEMA, PEMA, and other state agencies through the Department Operations Center (DOC) to mitigate the impacts of COVID-19.

Currently, there are 32,284 positive cases and 1,112 deaths in Pennsylvania.

As of 1600 on April 19, 2020, there were 735,287 cases in the U.S, and 2,355,676 worldwide. There have been 40,585 deaths in the U.S. and 158,422 throughout the world.

Epidemiological investigations and contact tracing continue throughout the state to determine potential exposure of additional persons. The PA state lab has increased capacity to account for the testing surge. Commercial and medical system labs are on line and testing for COVID-19.

On March 25, 2020, PA Legislature passed $50 million in funding to help aid the health care system in providing more medical equipment and supplies and to meet urgent needs of patients and staff. On March 28, 2020, the Wolf administration received USDA approval for COVID-19 Disaster Food Distribution. On March 30, 2020, the White House approved a major disaster declaration for PA.

On April 1, 2020, Governor Wolf expanded the stay-at-home order to include the entire commonwealth. On April 3, 2020, Governor Wolf announced that as many people as possible should wear a nonmedical or homemade mask when leaving their homes.

On April 8, 2020, Governor Wolf signed an order to distribute and transfer PPE/medical supplies between medical facilities to provide critical aid to those in need. On April 10, Governor Wolf signed an executive order authorizing the early release of 1,800 inmates from state prisons to minimize the spread of COVID-19.

On April 15, 2020, Dr. Levine signed an order directing protections for critical workers who are employed at businesses that are authorized to maintain in-person operations during the COVID-19 disaster emergency.

On April 17, 2020, Governor Wolf unveiled his 3-phase plan for Pennsylvania’s COVID-19 recovery.
