CORONAVIRUS (COVID-19) RETURNING TRAVELER INFORMATION

HOW IS IT SPREAD?
- close contact with people who are sick
- symptoms may show up 2-14 days later
- no vaccine is available

WHAT ARE THE SYMPTOMS?
- fever
- cough
- shortness of breath

GUIDANCE FOR TRAVELERS
If you have returned from Iran or China:
1. The health department will be alerted by CDC and will contact you
2. Stay home and self-isolate yourself for 14 days after travel

If you have returned from Italy or South Korea:
1. Call 1-877-PA-HEALTH (1-877-724-3258) to let the health department know about your travel
2. Stay home and self-isolate yourself for 14 days after travel

Any travelers returning from Iran, China, Italy and South Korea should self-monitor for symptoms like fever, cough, or trouble breathing. If you become sick, call 1-877-PA-HEALTH (1-877-724-3258) and the doctor’s office or emergency room before visiting.

People should not be excluded from activities based on their race or country of origin. This guidance is based only on a person’s travel history.

PREVENTION
- wash hands with soap and water for 20 seconds
- don't touch face with unwashed hands
- avoid contact with sick people

IF YOU ARE SICK
- stay at home
- cover nose and mouth when sneezing
- wear a surgical mask
- avoid contact with others
- keep objects and surfaces clean
