On Wednesday November 29, 2023, there was a change to the application for individuals applying for EMR certification using a non-DOH course.

The change to the application is on the education tab. Under EMR Certification Class, there is a question that asks, "Did you attend a class outside of DOH?" When that box is checked, a new field titled "EMR Non-DOH Application" will populate. The applicant will enter their class end date and upload their certificate. Applicants will no longer need to enter a class number.
