Rumor control	<p>Be sure to actively monitor your audience for rumors and misinformation by searching for trending hashtags and monitoring the comments/questions people send to your accounts. Correct misinformation by providing accurate information as soon as possible.</p> <p>If credible rumor control pages are set up by other agencies (e.g. FEMA’s Rumor Control page during Hurricane Sandy), link your audience to them.</p> <p>If partnering/credible agencies adopt a Hashtag for rumor control (e.g. #RumorControl, #Mythbuster), use it when correcting misinformation.</p>	<p>Be sure to actively monitor your audience for rumors and misinformation by monitoring the comments/questions people send to your accounts.
