III. Application Instructions

Applicants must complete each of the sections below to be able to submit an online application.

A. Personal Information

This is the section for the applicant’s contact information, demographics, and employer organization. The organization may or may not be the same as the practice site. If your practice site is one of many within an organization, this field is for the name of the managing umbrella organization. If the organization name is not located in the drop-down menu, the organization must submit an online Site Application and receive LRP approval of the application before the applicant can continue with the Practitioner Application. Any training rotations completed with this organization are to be indicated here along with the dates of that training. These fields are to indicate if you completed a clinical training rotation with your current organization. The training would have been part of your education required to obtain licensure in the discipline under which your applying to the LRP. For the purpose of this RFA, the Service Commitment is 2 Years. Be sure to indicate your Time Commitment.
B. Educational Information

The name and address of the high school, undergraduate school and the professional school where the applicant attained the education required for licensure in the discipline for which he or she is applying for loan repayment must be provided. When providing dates of education, the day can be estimated as long as the month and year are correct.
C. Professional Information

This section applies to the licensing required for the discipline and specialty for which the applicant is applying for loan repayment. Include your National Provider Identifier (NPI) number. If you do not have an NPI number, place N/A in this box. Residency Program information must be provided if applicable. Fill in the box with the number of hours you normally are scheduled to provide direct out-patient primary care in a workweek. Include hours spent providing telehealth visits.
D. Certification

The applicant is to complete this section if he or she is Board Certified.

E. Service Obligation

The applicant must complete this section if he or she has or had any other service obligation. The LRP does not consider the Public Service Loan Forgiveness
Program (PSLF) as a service obligation because the PSLF does not require the participant to remain a specific location. Loan repayment is not available for practitioners who currently have other service obligations.

F. Site Information

This section pertains to the actual site where the applicant will be practicing primary care. Only LRP-approved practice sites will appear in the drop-down menu. If your practice site is not available, contact the LRP Administrator, Monday through Friday, 7:30 am – 4:00 pm, exclusive of state holidays. When selected, the practice site information will prepopulate. Verify that the site address is where you will be
providing out-patient primary healthcare services. Selecting a practice site where you are not providing healthcare services will disqualify the application. Fill in the number of hours you are normally scheduled at this site each week and the date you started employment at this site. The scheduled hours should be from the time you start at the site until the time you leave and includes paid or unpaid breaks or meal times. Applicants can add up to four practice sites. The number of hours spread across all sites must equal the required number of hours for the service commitment option chosen (full-time or half-time).

G. Loan Information

This section pertains to each qualifying educational loan for which the applicant is seeking repayment. List all current loans with a balance that you wish to be considered for repayment here. If the loan is a consolidated loan, all original loan information must be included in the Disbursement Report. All loans submitted require verification. For each current loan listed, be sure to scroll to the right to attach an Account Statement and Disbursement Report.

Information for at least one qualifying loan must be provided. Please note there is a short time-out window on the application which also applies to the time spent uploading documentation. It is recommended that you enter one loan at a time and save after each entry. Additional loan information can be added by returning to the Loan Information tab and clicking on the Edit button at the bottom of the page.
The Academic Period is for the dates you were in school when this loan was taken out. Since all loans with the same lender and having the same account number are to be placed on the same line, the Academic Period may cover several years.

There is a size limit on the uploaded documentation within the LRP application. Account statements and disbursement reports verifying multiple loans with the same lender and having the same account number do not need to be listed individually on the application and should be placed on a single line.
H. Submit Application

In this section, the applicant must upload his or her resume or curriculum vitae (CV) and include a statement of personal commitment. Successful submission will result in an “Application Submitted Successfully” message. It is recommended that a copy of the Practitioner Application be downloaded by the applicant and saved for future reference.
Once “submitted”, practitioners will not be able to edit information in their applications.
