Drug Formulary

Updated July 1st, 2021

Section 1 – Guidelines

Section 2 – List of Covered Drugs by Class

Section 3 – List of Covered Drugs by Alphabetical Order

Drug Formulary

Guidelines

SPBP Pharmacy Services Goals

To provide access for low-income Pennsylvanians with a diagnosis of HIV/AIDS to:

- Critical, life-saving medications, and
- Selected drugs, biologics, and devices to prevent and treat opportunistic infections and promote overall health

General SPBP Formulary Coverage Guidelines

- 1) The formulary includes coverage of antiretroviral drugs
- 2) The formulary includes selected brand name, generic, and over-the-counter (OTC) non-antiretroviral drugs, biologics, and devices
- 3) The formulary includes selected nutrients and nutritional agents
- 4) Formulary coverage for Group 1 and 2 is limited to drugs, biologics, and devices approved by the Food and Drug Administration (FDA)
- 5) Formulary exclusions include but are not limited to the following:
 - a. Drugs and other products when prescribed for obesity or weight loss
 - b. Drugs prescribed for the symptomatic relief of cough and colds
 - c. Drugs when used to promote fertility
 - d. Drugs when used for cosmetic purposes or hair growth
 - e. Placebos
 - f. Nonlegend soaps, cleansing agents, dentifrices, mouthwashes, douche solutions, ear wax removal agents, deodorants, liniments, antiseptics, irrigants, emollients, and other personal care and medicine chest items
 - g. Nonlegend aqueous saline solutions for use other than for intravenous administration
 - h. Nonlegend water preparations, such as distilled water, water for injection, and identical, similar or related products

- i. DESI drugs
 - j. Agents when used for the treatment of sexual or erectile dysfunction
- 6)** All drugs (Rx and OTC) on the formulary require a written prescription from a licensed medical provider
- 7)** The Special Pharmaceutical Benefits Program is considered the “Payer of Last Resort”. Pharmacies and dispensing providers must ask the enrollee about other drug coverage and, if applicable, submit the claim to that payer prior to submitting the claim to the SPBP.

Please Note: The Special Pharmaceutical Benefits Program drug formulary list may not be all-inclusive. Coverage of specific drugs may change in between the publication of this document.
