

# PENNSYLVANIA TOBACCO PREVENTION AND CONTROL PROGRAM

**MPOWER 6-Month Summary Report**  
State Fiscal Year 2020/2021 (July 2020-December 2020)

Pennsylvania's Department of Health (PADOH), Division of Tobacco Prevention and Control (DTPC), leads the Pennsylvania Tobacco Prevention and Control Program (PATPC) that delivers services across the Commonwealth through eight Regional Primary Contractors (RPCs) and three statewide contractors. Funding support comes from Pennsylvania's Master Settlement Agreement (MSA), a cooperative agreement with the Centers for Disease Control and Prevention (CDC), CDC Quitline Capacity funding, and the Food and Drug Administration (FDA).

## WORKSITE TOBACCO POLICY INITIATIVE

As a result of technical assistance:

Top types of participating worksites:

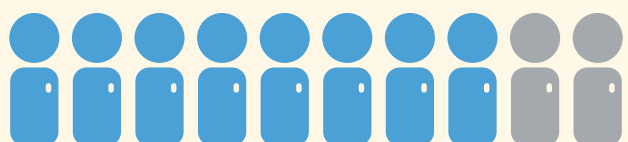

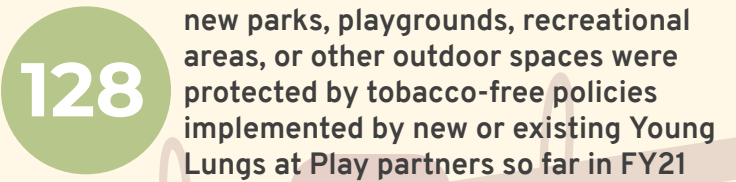

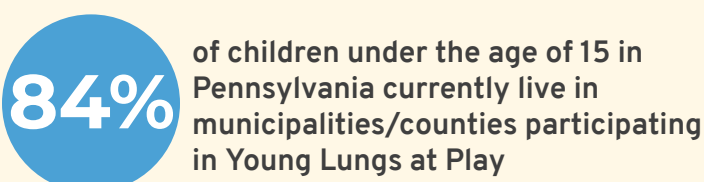

## MULTIUNIT HOUSING

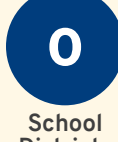

Sites are placed on the Honor Roll when RPCs provide support in enacting new or strengthening existing smokefree policies
