

PENNSYLVANIA TOBACCO PREVENTION AND CONTROL PROGRAM

MPOWER Annual Summary Report
State Fiscal Year 2021/2022 (July 1, 2021 - June 30, 2022)

Pennsylvania's Department of Health (PA DOH), Division of Tobacco Prevention and Control (DTPC), leads the Pennsylvania Tobacco Prevention and Control Program (PATPC) that delivers services across the Commonwealth through eight regional primary contractors (RPCs) and three statewide contractors. Funding support comes from Pennsylvania's Master Settlement Agreement (MSA), a cooperative agreement with the Centers for Disease Control and Prevention (CDC), CDC Quitline Capacity funding, and the Food and Drug Administration (FDA).
