## **Peoples Natural Gas Field**

Opened on April 15, 1999, Peoples Natural Gas Field is a 7,210-seat baseball-only stadium located in Altoona, Pennsylvania. It is the home ballpark of the Double-A Eastern League's Altoona Curve Minor League Baseball team and is considered by fans, players, baseball executives, and the media as one of the finest minor league baseball facilities in America. The ballpark features a beautiful brick exterior and the design is modeled after a railroad roundhouse to tie in the industry, which helped found the city of Altoona. The "Skyliner" roller coaster from neighboring Lakemont Park and the scenic Allegheny Mountains add to the overall beauty of Peoples Natural Gas Field.
