

Search for a Patient and View the Official Immunization Record

PIERS Header

PIERS O MUSSERS FAMILY PRACTICE, MUSSERS FAMILY PRACTIC

1. Select the **Patient Search** link in the header of PIERS.

Once you select your search option, the **Patient Search** screen displays. There are no required fields, however, there is a minimum of required information you must enter. If you search without meeting the minimum requirements, a message displays the minimum search criteria.

Minimum Search Criteria

| Minimum Search Criteria Required |
|---|
| You must specify at least one of the following: |
| Patient Id Identifier Type and Value Identifier Type and Value Two letters of the first and last name Two letters of both Mothers Last Name and Mothers First Name Two letters of Mothers Last Name, plus DOB Two letters of Mothers Maiden Name plus 2 letters of either Patient First Name or Last Name or DOB Two letters of Father Last Name, plus two letters of Father First Name and/or 1 letter of Father Middle Name Two letters of Father Last Name, plus DOB |

NOTE: If you enter a value in a field that is unique to the patient, such as a **Patient ID**, then only that field is required to perform the search.

Patient Search

| Patient Search 0 | | | | | | | | | | | |
