

AN ACT

Relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto.

ARTICLE XIII.
PUPILS AND ATTENDANCE.

Section 1303. Immunization Required; Penalty.

(a) It shall be the duty of all school directors, superintendents, principals, or other persons in charge of any public, private, parochial, or other school including kindergarten, to ascertain that every child, prior to admission to school for the first time has been immunized, as the Secretary of Health may direct, against such diseases as shall appear on a list to be made and from time to time reviewed by the Advisory Health Board. All certificates of immunization shall be issued in accordance with the rules and regulations promulgated by the Secretary of Health with the sanction and advice of the Advisory Health Board.

(b) Any person who shall fail, neglect, or refuse to comply with, or who shall violate, any of the provisions or requirements of this section, except as hereinafter provided, shall, for every such offense, upon summary conviction thereof, be sentenced to pay a fine of not less than five dollars (\$5) nor more than one hundred dollars (\$100), and in default thereof, to undergo an imprisonment in the jail of the proper county for a period not exceeding sixty (60) days. All such fines shall be paid into the treasury of the school district.

(c) The provisions of this section shall not apply in the case of any child deemed to have a medical contraindication which may contraindicate immunization and so certified by a physician. Such certificates may be accepted in lieu of a certificate of immunization.

(d) The provisions of this section shall not apply in the case of any child whose parent or guardian objects in writing to such immunization on religious grounds.
