Note: Starting in 2013, race of mother was derived from multiple race selections. Prior to 2013, race of mother was derived from a single race designation. For example, starting in 2013, "White" means that it was the only race selected from a list of multiple race selections. Prior to 2013, "White" means that the single race designation was "White". Also, starting in 2013, "All Other Races" includes "Multi-Race" (more than one race selected).

See note at the end of the table concerning new race data starting in 2013.
