Notes: Starting in 2013, race of decedent was derived from multiple race selections. Prior to 2013, race of decedent was derived from a single race designation. For example, starting in 2013, 'White' means that it was the only race selected from a list of multiple race selections. Prior to 2013, 'White' means that the single race designation was 'White'. Also, any races (including 'Multi-Race') not shown in the table are included in the total.
