WHEREAS, pursuant to Section 1302(b) of the Act, 62 P.S. §5001.1302(b), the Secretary is directed to implement comprehensive activities throughout the Commonwealth to achieve the goals of the Program including but not limited to promoting the recruitment and retention of primary health care practitioners in designated medically underserved areas; and

WHEREAS, the J-1 Visa Waiver Program, also referred to as the Conrad State 30 Program (Program) allows for waiver, upon the recommendation of a State Department of Public Health to the United States Department of State, of the two-year home residency requirement (before the International Medical Graduate (IMG) can petition for re-entry to the United States as a resident alien) under the following relevant conditions: (1) the IMG practices a minimum of 40 hours per week in a federally designated primary care health professional shortage area or medically underserved area (shortage areas); (2) the IMG agrees to serve for a period of no less than 3 years; and

WHEREAS, the Department of Health (Department) serves as a State Department of Public Health in the J-1 Visa Waiver Program, to the extent to which the Program supports the Department's program objectives to improve access to and availability of primary care and other physician services to residents of shortage areas; and

WHEREAS, the Sponsor, requesting placement of the IMG, and the IMG have submitted an application for approval of a waiver request under the J-1 Visa Waiver Program; and

WHEREAS, the Department is willing to recommend approval of the waiver request contingent upon agreement of the Sponsor and IMG to the following terms and conditions; and

NOW, THEREFORE, the Department, Sponsor, and IMG, intending to be legally bound, hereby, agree as follows:

Article I. Sponsor and IMG Acknowledgements and Agreements

- 1.1 The IMG will practice a minimum of forty (40) hours per week, not including hospital rounds, travel, and on-call time, for not less than 3 years at the Department's approved practice site(s). - 1.2 The IMG will begin working at the approved practice site no later than 90 days after receipt of approval of the waiver by the United States Citizenship and Immigration Services (USCIS) for a minimum of three (3) years.
- 1.3 The Sponsor and IMG acknowledge that any changes in the approved practice site must be approved in writing by the Department prior to implementation of those changes, and hereby agree to provide such notification at least 30 days prior to the anticipated date of the change.

- 1.6 The Sponsor and IMG provide services to all individuals including the medically indigent, Medicaid and Medicare eligible patients, and will offer a sliding fee scale for the uninsured based on 200% of poverty level for patients unable to pay full charges.
- 1.7 The Sponsor will conspicuously post and comply with a statement of non-discrimination-based race, color, religious creed, ancestry, national origin, age, sex, sexual orientation, economic status, personal beliefs, or mental and physical health status.
- 1.8 The Sponsor and IMG will not include any provisions in the employment contract that modifies or amends any of the policies of the J-1 Visa Waiver Program.

The Sponsor further agrees to provide written documentation of such efforts to the Department upon request.
- 2.2 The sponsor agrees to notify the Department immediately if the IMG does not start work as agreed, if the IMG terminates his employment, and/or any other situation actually or potentially affecting the IMG's service obligation.

- 4.2 If, through no fault of the IMG, it becomes impossible for the IMG to complete the service obligation at the approved practice site, the Department, at its discretion and upon investigation, may assist in the IMG's placement in another approved practice site in Pennsylvania.

Article 5. Falsification

Falsification, omission, or misrepresentation of the information in the waiver application or Verification of Employment Forms shall render this Agreement, and the IMG's placement, null and void, with the result that the IMG will have failed to meet his or her service obligation and the provisions of Article 6 shall apply.

Article 6. Failure to Meet Service Obligation

Failure of the IMG to meet his or her service obligation will result in notification by the Department to the Bureau of USCIS in the Department of Homeland Security that the IMG is in default of his/her waiver commitment, and/or possible removal of the Sponsor from further eligibility to participate in the Department's recruitment and retention initiatives.
